M4W 1A8

Dear Samira,

A review of the Probe It Food Safety Inc. Online Program has been completed by the Nova Scotia Food Hygiene Training Course Review Board. This course has been found to successfully meet the requirements of the Nova Scotia Criteria for Food Safety Training Programs in the Food Retail and Food Service Sectors.

Therefore, this program is now deemed to meet the Regulatory requirements of Section 28 of the Nova Scotia Food Safety Regulations Respecting the Inspection of Food Establishments Pursuant to the Health Protection Act.

Accordingly, this course title is included in literature describing Food Hygiene Training Courses deemed acceptable by the Nova Scotia Department of Environment and is also included as such on the Department's website <http://novascotia.ca/nse/food-protection/docs/recognized-courses.pdf>

Regards,
Janice
