Samira Ali  
info@probeit.ca

Dear Ms. Ali

We have completed the review of the curriculum and exams for the on-line '**Probe It**' food handler course and I am pleased to advise that it rated well. This course will be added to the list of recognized food handler courses that meet the requirements of Section 26 of Saskatchewan's *Food Safety Regulations*.

Should you have any further questions, feel free to contact me.

Regards,

**Lisa Piller**
